Bier and Wine Specials

Paulaner Bier– Golden Oktoberfest lager is Germany’s #1 Oktoberfest bier! It is the only bier served in Paulaner tents during this special time of year and has been voted “Best Bier” at the Munich Oktoberfest.

Warsteiner– A refreshing pale, golden Pilsener with a clean taste; perfectly balanced with hints of barley and malt- with a subtle bottom and mild, hoppy bitterness.

Hofbrau Oktoberfest Bier– Strong, golden hue, with a full body and easy finish; mild malt flavor and a light hop aroma.

Hacker-Pschorr Oktoberfest Bier– Lager caramelized to a rich amber color, this medium bodied beer is smoothly drinkable. Hacker-Pschorr is the last brewery to call their Oktoberfest Beer “*Märzen Braunbier*” or “March Brown Beer.” The Bavarian Purity Law of 1516 forbade the brewing of beer in the summer months, therefore it was brewed in March and served at the Oktoberfest.

Dr. Heidemanns-Bergweiler- Graacher Himmelreich Reisling Kabinett-

A rich Kabinett, with almond and baked apple and peach flavors, yet with fresh acidity and a juicy texture. This wine comes from the Mosel-Saar-Ruwar River area.

Gerd Anselmann Dornfelder- The Palatinate and Rheinhessen regions of Germany are the cultural homeland of the Dornfelder grape. An intense deep red violet color with low tannin, this wine is tender in taste and has good body.
